

**Musculoskeletal Ultrasound & Pain Society 3<sup>rd</sup> International MSK Pain Congress 2025 .1<sup>st</sup> -3<sup>rd</sup> August 2025, Pondicherry**

**Scientific Schedule . [www.mupsociety.org](http://www.mupsociety.org)**

**01 August 2025 | Friday – Scientific Schedule, Day 1**

Common Lecture Hall

08:00 – 08:30 | Registration

08:30 – 09:00 | Introduction & Inauguration

09:00 – 09:20 | Plenary talk: Evidence Base in Interventional Pain Medicine

09:20 – 10:40 Session 1

Keynote Lectures, Common Lecture Hall

09:20 – 09:40 | Cannabinoids in Pain Management – Current Clinical Practice

09:40 – 10:00 | Radiofrequency Denervation in OA – More Nerves More Questions

10:00 – 10:20 | Complex Regional Pain Syndrome – Recent Advances

10:20 – 10:40 | Lumbar Discogenic Pain – Basi Vertebral Nerve Denervation

10:40 – 11:00 Coffee Break & Exhibition

11:00 – 12:40 Session 2

Regeneration Therapies | Common Lecture Hall

11:00 – 11:20 | Platelet Rich Plasma – Scientific Principles, Protocols & Evidence

11:20 – 11:40 | Bone Marrow Concentrate in OA-Case Selection, Techniques & Evidence

11:40 – 12:00 | Adipose Derived Stem Cells – Methods, Protocols & Evidence

12:00 – 12:20 | Ortho biologics in Spine disorders – Indications, Techniques & Evidence

12:20 – 12:40 | Ortho biologics – Clinical practice has outpaced available evidence?

12:40 – 13:40 Lunch Break

13:40 – 14:50 Session 3

Neuromodulation & Cancer Pain / Common Lecture Hall

13:40 – 14:00 | Spinal Cord Stimulation – is it a cost-effective solution?

14:00 – 14:20 | Peripheral Nerve Stimulation – Neuromodulation Based Approach

14:20 – 14:40 | Intrathecal Neurolysis in Cancer pain – Technical Considerations

14:40 – 15:00 | Vertebral Augmentation in Cancer Spinal Pain – Benefits & Risks

15:00 – 15:30 Tea Break & Exhibition

**Musculoskeletal Ultrasound & Pain Society 3<sup>rd</sup> International MSK  
Pain Congress 2025 .1<sup>st</sup> -3<sup>rd</sup> August 2025, Pondicherry**

**Scientific Schedule . [www.mupsociety.org](http://www.mupsociety.org)**

15:30 – 17:30 Session 4

Relevant Fluoroscopy & Ultrasound Intervention Lectures

Time	Hall A Fluoroscopy Intervention Lectures	Hall B Ultrasound Intervention Lectures
15:30 – 15:50	TGN / SPG	Cervical Spine
15:50 – 16:10	Cervical Spine: MBB & Epidural	Thoraco Lumbar Spine
16:10 – 16:30	Lumbar Spine: MBB & Epidural	Posterior Pelvis
16:30 – 16:50	Epidural Adhesiolysis	Shoulder & Elbow
16:50 – 17:10	Sympathetic Chain	Hip & Knee

16:00-18:00 :- Paper Presentation (Hall C)

17:30 – 18:00 Q & A

**Musculoskeletal Ultrasound & Pain Society 3<sup>rd</sup> International MSK Pain Congress 2025 .1<sup>st</sup> -3<sup>rd</sup> August 2025, Pondicherry**

**Scientific Schedule . [www.mupsociety.org](http://www.mupsociety.org)**

**02 August 2025 | Saturday – Scientific Schedule, Day2**

Common Hall

08:30 – 09:50 Session 1

Keynote Lectures | Common Lecture Hall

08:30 – 08:50 | Interpreting Imaging of the lumbar spine – MRI

08:50 – 09:10 | Epidural Adhesiolysis - Updates

09:10 – 09:30 | Ultrasound Guided Interventions – Trigeminal Peripheral Blocks

09:30 – 09:50 | Spread of radio opaque dye – when not to do injection

09:50-10:15: - CIPS EXAM REVIEW SESSION

10:15 – 10:30 Coffee Break & Exhibition

10:30 – 12:30 Session 2

Live Ultrasound Demonstration by Faculties

- Shoulder
- Elbow
- Wrist
- Cervical Spine
- Thoracic Spine & Abdomen
- Lumbar Spine
- Pelvis
- Hip
- Knee
- Foot & Ankle

12:30 – 13:30 Lunch Break

13:30 – 15:30

Live Scanning on Volunteers by Delegates

4 Tracks, Each track 8 stations, Each station 30 minutes (4 ROUNDS)

Delegates are allocated to one fixed track, they rotate on the same track

15:30 – 16:00 Tea Break

16:00 – 18:00 Session 4

Live Scanning on Volunteers by Delegates

4 Tracks, Each track 8 stations, Each station 30 minutes (4 ROUNDS)

Delegates are allocated to one fixed track, they rotate on the same track

18:00 Day 2 Closure

19:00 onwards: Gala Dinner

**Musculoskeletal Ultrasound & Pain Society 3<sup>rd</sup> International MSK Pain Congress 2025 .1<sup>st</sup> -3<sup>rd</sup> August 2025, Pondicherry**

**Scientific Schedule . [www.mupsociety.org](http://www.mupsociety.org)**

Live Scanning on Volunteers by Delegates

4 Tracks, Each track 8 stations, Each station 30 minutes (4 ROUNDS)

Delegates are allocated to one fixed track, they rotate on the same track

TRACK A	TRACK B	TRACK C	TRACK D
STATION 1 Shoulder	STATION 1 Shoulder	STATION 1 Shoulder	STATION 1 Shoulder
STATION 2 Elbow & Wrist			
STATION 3 Cervical Spine	STATION 3 Cervical Spine	STATION 3 Cervical Spine	STATION 3 Cervical Spine
STATION 4 Thoracic Spine & Abdomen			
STATION 5 Lumbar Spine	STATION 5 Lumbar Spine	STATION 5 Lumbar Spine	STATION 5 Lumbar Spine
STATION 6 Pelvis	STATION 6 Pelvis	STATION 6 Pelvis	STATION 6 Pelvis
STATION 7 Hip	STATION 7 Hip	STATION 7 Hip	STATION 7 Hip
STATION 8 Knee, Foot & Ankle			

**Musculoskeletal Ultrasound & Pain Society 3<sup>rd</sup> International MSK  
Pain Congress 2025 .1<sup>st</sup> -3<sup>rd</sup> August 2025, Pondicherry**

**Scientific Schedule . [www.mupsociety.org](http://www.mupsociety.org)**

**03 August 2025 | Sunday – Scientific Schedule, Day3**

Cadaveric Lab

DELEGATES TO CHOOSE ANY ONE CHOICE OF 4 WORKSHOPS

1. ADVANCED ULTRASOUND WORKSHOP  
(STATIONS SIMILAR TO THAT IN VOLUNTEER SCANNING)
2. DENERVATION WORKSHOP ( 30 DELEGATES )
3. REGENERATIVE MEDICINE ONLY ( 30 DELEGATES)
4. CIPS TRAINING WORKSHOP ( 30 DELEGATES )
5. CANCER PAIN INTERVENTIONS (30 DELEGATES)

**Musculoskeletal Ultrasound & Pain Society 3<sup>rd</sup> International MSK Pain Congress 2025 .1<sup>st</sup> -3<sup>rd</sup> August 2025, Pondicherry**

**Scientific Schedule . [www.mupsociety.org](http://www.mupsociety.org)**

REGION	ULTRASOUND LEARNING OBJECTIVES
<b>CERVICAL SPINE</b>	Inferior oblique muscle, Greater occipital nerve, Cervical C2/C3 facet & third occipital nerve, Cervical facet medial branches biplanar, Cervical selective nerve roots, Longus colli & Cervical sympathetic
<b>SHOULDER</b>	Long head of biceps, Subscapularis, Rotator cuff tendons, Subdeltoid subacromial bursa, Acromio clavicular joint, Glenohumeral joint, Suprascapular & Axillary nerves
<b>ELBOW</b>	Lateral epicondyle & common extensor tendon, Radial & posterior interosseous nerves, Medial epicondyle & common flexor tendon, Cubital canal & ulnar nerve
<b>WRIST</b>	Flexor tendons, Scaphoid & flexor carpi radialis, Carpal tunnel & median nerve, Guyan's canal & ulnar nerve, Extensor tendons & Scapholunate ligament
<b>THORACIC &amp; LUMBAR</b>	Thoracic facets, Intercostal nerves, Lumbar facet & medial branches, Superior cluneal nerves, Sacro iliac joint, Sacral foramina & Caudal epidural
<b>SACRAL SPINE</b>	
<b>HIP</b>	Hip joint & Ilio psoas, ASIS, Sartorius, Tensor fascia lata & Lateral femoral cutaneous nerve, Femoral & Saphenous nerves, Obturator nerve & adductors, Ilio tibial band, Gluteal tendons & bursae
<b>KNEE</b>	Quadriceps & patellar tendons, Suprapatellar recess, Lateral collateral ligament & lateral menisci, Medial collateral ligament & medial menisci, Pes anserinus & Genicular nerves
<b>ANKLE &amp; FOOT</b>	Tibialis posterior, Tarsal tunnel & posterior tibial nerve, TA, EDL & Deep peroneal nerve, Anterior tibiotalar joint, Peroneus muscles & Superficial peroneal nerves, Achilles tendon & Plantar fascia

**Musculoskeletal Ultrasound & Pain Society 3<sup>rd</sup> International MSK  
Pain Congress 2025 .1<sup>st</sup> -3<sup>rd</sup> August 2025, Pondicherry**

**Scientific Schedule . [www.mupsociety.org](http://www.mupsociety.org)**

**PELVIS**

Gluteal muscles & Superior gluteal nerve, Piriformis & Lumbo sacral plexus, Ischial spine, Sacral ligaments & Pudendal nerve, Obturator internus & Alcock's canal
